## Driving & Resort Experiences

### Off-Road Package

### Pit Crew Challenge

The Pit Crew Challenge is a team-building exercise using the concepts of the motorsports pit crew to understand team work and communication in the world of business. We also have 4 high-end simulators linked for racing one another or against the clock.

**Call for pricing.**

## VIR Shooting Experiences

### **Semi-Automatic Shooting Experience**

The VIR Shooting Experience is designed to build individual confidence by introducing participants to semi-automatic tactical firearms. The course can accommodate up to 10 students. Each student will fire up to 200 rounds of ammunition and will learn techniques to hit steel targets safely.

**Glock 19 Pistol – \$75/person, minimum of 10 participants**

**M4 Rifle – \$90/person, minimum of 10 participants**

### **Long Range Experience**

During the first half of the course, you'll learn the various factors that affect a bullet's flight over long distances. Then you'll learn how to account for these effects by adjusting your scope using free calculation programs available on your smartphone. Once you understand the factors and how to account for them, you'll put it all to the test in a software simulation program. After a quick lunch break, it's time to hit the range! Now you will get your choice of four custom-built, high-power .308 rifles (including one with a silencer) to blast away steel from 500 to 1000 yards. The range master will provide one-on-one assistance, helping you to dial in on the target.

**\$500/person - Full day**

**\$300/person - Half day**

### **Machine Gun Experience – Extreme Enthusiasm**

The VIR Machine Gun Experience is designed to familiarize participants with fully-automatic weapons. The range master will present each weapon system and give a firing demonstration. The participant will fire each weapon system. Once the

participant has completed firing each type of weapon, they will move to the "Machine Gun Fire and Maneuver" event. This exercise consists of multiple lanes that participants walk through, with each lane having designated "shoot" and "don't shoot" targets.

**\$500/person, minimum of 10 participants**

### **Three Gun Competitive Shooting Experience**

Available and quoted based on weapons and type of exercise designed.

### **Paintball**

The Paintball Experience at VIR is a great opportunity for team-building or friendly fun in a safe environment. Game play varies in style and composition, but often ranges from "capture the flag" to organized scenario games. Players will have a fun-filled and thrilling time on our outdoor paintball field.

**\$70/person, minimum of 10 participants. Groups must be divisible by two.**

### **Skeet Shooting**

At VIR, we offer a skeet shooting experience like no other. Competing while surrounded by rolling hills, you'll feel like the great outdoors is your private playground. We offer 2 complete courses both approved by the National Skeet Shooting Association. We can provide ammunition and shotguns, or you can bring your own. Whether a novice or an expert, VIR can cater to your needs.
