

HYPERFEST

THE AUTOMOTIVE AMUSEMENT PARK

In what has been a continually evolving and challenging time related to the coronavirus (COVID-19) pandemic and the latest government guidelines, this year's HyperFest presented by Grassroots Motorsports, initially scheduled for May 15th – 17th, has been rescheduled for July 31st – August 2nd.

Restrictions are currently in effect in Virginia, as well as other neighboring states to help limit the spread of the coronavirus and we felt this was the best course of action. We recognize that a postponement is disappointing, but after heavy consideration, we made this decision with the safety and best interests of our attendees, participants, partners, staff, and community in mind.

All purchases (tickets, activities, and onsite accommodations; camping, RV, etc.) for the May weekend will be honored for the rescheduled July/August weekend. Purchasers will be notified by Friday, April 3rd on how to obtain a refund if they are unable to attend the rescheduled weekend.

It is with great pleasure that we can announce that many of our popular attendees and partners, including Vaughn Gittin Jr, Chelsea DeNofa, Adam LZ, Fielding Shredder, Dirk Stratton, and more are confirmed for the rescheduled weekend. Additional attendees, updated schedule, and information will be announced as soon as possible.

Thank you for your patience, understanding, and continued support as we look forward to seeing you at VIRginia International Raceway this summer.
