 - 16. Noncompliant Trailers:** Teams with trailers outside their permitted Paddock allowance per IMSA regulations (i.e., tag trailers) are granted a short timeframe to enter the Paddock or adjacent area to offload equipment. The specific timing of this movement and offloading will be solely determined and communicated by IMSA Logistics at a later date. These noncompliant trailers must then exit the Paddock and park in an area designated by IMSA, likely outside the track itself, until the conclusion of the Event, when the trailers may re-enter the Paddock or adjacent area to load, no earlier than 30 minutes after the respective Race checkered flag. Teams with noncompliant trailers must contact their respective IMSA Series Manager and IMSA Logistics to declare their intent in advance of staging.
 - 17. Facility Restrictions:** The "Pit Lane Sidewalk" must remain clear at all times. See VIR policies page: <http://virnow.com/about/policies/>.
